Church,
Chichester
Road

Here for you

A message from your Vicar

Everyone is deeply concerned about the current situation, and with good reason. We have produced this leaflet because we want to offer you whatever support we can during this difficult time.

We are here for the whole community of Park Hill, not just those who attend our services, or who are Christians.

We are especially concerned for those who live alone, or who have health concerns, or who do not have access to the internet.

This leaflet gives details of how we may be able to help you, help that is offered with no strings attached but comes from our desire to meet the needs of others in whatever way we can.

As well as practical help, as people who believe in a loving God who cares for every person on this fragile earth, we have been praying for everyone who has been affected by the threat of Covid 19 in whatever way.

We are constantly reminded in the Bible not to be afraid - easier said than done, admittedly! But as people of faith we believe we have something unique to offer you - God's love and peace in whatever storm we are going through.

So we invite you to contact us [here](#) if you think we can be of any help to you.

Simon Foster

Revd Simon Foster, Vicar,
St Matthew's Church.

How can we help you?

We can offer you help in any or all of the following ways:

- A listening ear to hear any concerns you may have. (This could be a regular, even a daily, phone call.)
- Up to date knowledge of the situation and the latest government advice.
- Help with ordering supplies online.
- Prayer over the phone if you feel that would be beneficial for you.

We look forward to hearing from you.
