## Prayer Focus

Hunger and deprivation in Sri Lanka are the worst in living memory as a result of the country's economic collapse, which has come on top of the suffering from the Covid crisis. Inflation is soaring and this has been compounded by recent crop failures. Fuel shortages and power cuts of up to ten hours a day are also severely impacting the livelihoods of day labourers, leaving them unable to earn an income. The very poor, including many Christians, are suffering the most. Pray for them all, especially our brothers and sisters. Pray, too, for the smooth delivery of aid being sent by Barnabas to vulnerable Christians in need.

## This week we are praying for the residents of:

Hazeldean Road / Hunters Way / Langton Way

A Well-being Café at St Matthew's

Every Monday from 2.00 to 4.00pm our Choir Vestry becomes a community space for a variety of hobbies and activities. These are run by the community for the community. Anyone is welcome to share a hobby or skill and anyone is welcome to join a workshop or activity. They are all free. Or you can come and relax and chat, or enjoy the peace in our quiet area.

The activities are based around the '5 ways to wellbeing' which promote good mental and emotional health. To connect, give, be active, keep learning and take notice will hopefully contribute towards a preventative approach to mental ill health.

The Renew Café is hosted by St Matthew's Church - all are welcome
