Prayer Focus

Dearest Lord Jesus, we pray for Christians in Somalia and Somaliland, whose lives are in grave danger because they love and serve You. Despite the risks they face daily, keep them in Your perfect peace, the peace that passes understanding. Please protect our Christian sisters, Hanna and Hoodo, last heard of in separate prisons, serving sentences due to run until 2027 and 2029, respectively. Thank You that You know their situations and can strengthen their faith with a strong awareness of Your loving presence with them. Bless them and all the other Somali believers, whose names are known to You though not to us.

This week we are praying for the residents of:
