Prayer Focus

Approximately 62% of households in Yemen are now experiencing severe food shortages, with some regions facing extreme levels of malnutrition. The humanitarian disaster that has blighted Yemen in recent years is worsening because of regional tensions. Aid agencies have reduced their activities in the country because of restrictions imposed in areas controlled by the Houthis, an Islamic group affiliated to Iran. Only the Lord knows how many Christians live in Yemen. They share in the overall suffering of the population while also experiencing persecution from extremists. Pray that the suffering of our brothers and sisters, and all people in Yemen, may be alleviated.

This week we are praying for the residents of:

Alden Court Red Court / Peony Court
Turnpike Link / Elizabeth Court
